TO The Legislative Assembly of Ontario:

Whereas, the current system, practice and arrangement of retailing and distributing beer in The Province of Ontario – and more specifically the “near monopoly” of The Beer Store - severely restricts the accessibility, convenience and choice for retail consumers of beer in Ontario, and;

Whereas, The Beer Store “near monopoly” is controlled by “for profit, foreign-owned companies” and that these companies are not accountable to the people of Ontario, and these companies do not act in the best interests of the people of Ontario.

WE the undersigned petition the Legislative Assembly of Ontario as follows:

that legislation be introduced that will permit the retailing and distribution of beer through alternative and additional grocery and supermarket retail channels that will fairly compete with The Beer Store - thereby allowing an accessible, convenient, safe, well regulated and environmentally responsible retailing environment for beer to become established in The Province of Ontario.
